

NOTICE OF INTENT TO PROPOSE
AO 03-OSS-02
Explorer Program: Small Explorers (SMEX) and Missions of Opportunity

By submitting this Notice of Intent to propose, I hereby do authorize NASA to post my name and institutional address (but not the name of my intended proposal) as an addendum to this AO on the World Wide Web starting approximately one week after the NOI due date. If I do authorize such a posting, I understand that such information will be in the public domain, and I will not hold NASA responsible for any use made by others for revealing this information.
